### March-April

The President's Corner .....	35
Intravenous Narcotic Antagonists in Ambulatory Oral Surgery .....	38
<i>by Wm. Greenfield, D.D.S. and Margurite G.         Granada, M.D.</i>	
The Archaic Barbiturate Hypnotics .....	45
<i>by Koch-Weser, M.D. and David J. Greenblatt, M.D.</i>	
Anesthetic Techniques Survey in Pennsylvania .....	51
<i>by John Braun, D.D.S.</i>	
Bulletin Describing Quantiflex Anesthesia Equipment .....	53
Guidelines for the Teaching of Pain and Anxiety Control and Management of Related Complications in a Continuing Education Program – Part Three .....	56
New Regulations – Ohio State Dental Board .....	57
Scientific Abstracts .....	59
Membership Application .....	64
ADSA Officers Elected to ASOS Posts .....	65

### May-June

Editorial .....	72
Valium .....	74
<i>by David M. Sohn, D.D.S.</i>	
Re-Evaluation of Rapid Induction (Surge Technic) of I. V. Barbiturates .....	78
<i>by S. Spiro, D.D.S., M. Rooker, D.D.S.     and A. Blutstein, D.D.S.</i>	
Annual Scientific Meeting .....	82-83
Drugs and Equipment Recommended for the Anesthesia Cart .....	84
<i>by Robert H. Libman, M.D.</i>	
Six Month Sedation Course .....	87
Heidbrink Award Presentation .....	89
Antidepressant Drugs .....	93
A Versatile Accessory for Stationing Corrugated Rebreather Tubes During Surgery .....	95
<i>by L. Edward Evans, D.D.S.</i>	
Scientific Abstracts .....	96

### July-August

The President's Corner .....	103
Topical Anesthesia for Periodontal Procedures .....	105
<i>by Irving Stern, D.D.S. and Donald B.     Giddon, D.M.D., Ph.D.</i>	
Dental Anesthesia Training The Harbor General Hospital Program .....	110
<i>by Donald L. Leake, D.M.D., M.D., Roger S.     Kingston, D.D.S., Maurice Lippman, M.D.     and Stephen N. Steen, Sc.D., M.D.</i>	
Recovery from Nitrous Sedation .....	113
<i>by J. Theodore Jastak, D.D.S., Ph.D. and     Dody Orendurff, B.A.</i>	
The Influence of Analeptics on Central Nervous System Recovery .....	117
<i>by Gerald D. Allen, M.D.</i>	
Successful Cardiopulmonary Resuscitation Following Sudden Unexpected Death—A Case Report .....	120
<i>by Braun, J. C., Vaughn, R. L. and Bennett, C. R.</i>	
The Cervical Collar—Use for Posture Control in Dental Anesthesia .....	124
<i>by S. Ormsby, LDS and E. Bloomfield, MB, BS</i>	
Membership Application .....	125
Scientific Abstracts .....	126
Book Review .....	129

## September-October

Editorial: Propanolol Withdrawal .....	136
Hepatitis B .....	141
Individual Response to Total Spectrum of Pain Control in Dentistry .....	144
<i>by Allen, G. D., Everett, G. B., Kennedy, W. F., and     Forsyth, W. D.</i>	
Rectal Pentothal Sedation for Selected Patients .....	151
<i>by Robert Carrel, A.B., D.D.S., M.Ed., and     William H. Binns, Jr., A.B., D.D.S., M.S.</i>	
Comparative Open and Closed Valve Nitrous Analgesia Study in Humans .....	155
<i>by Edgar K. DeJean, D.D.S., M.S.D., Arthur Jee,     D.M.D., George P. Miller, D.M.D., and     Ramesh Narang, B.D.S., D.M.D., M.S.D., D.Sc.</i>	
A New Self Aspirating Plunger .....	158
<i>by Myron R. Levenson, D.D.S.</i>	
Scientific Abstracts .....	162
Book Reviews .....	165

## November-December

The President's Corner .....	171
Arterial Blood Gas Analysis and Its Relation to Metabolism and Respiratory Physiology .....	175
<i>by James C. Phero</i>	
Accidental Intra-Arterial Injection: A Medical Emergency ..	180
<i>by Douglas Goldsmith, D.D.S. and     Norman Trieger, D.M.D., M.D.</i>	
A.S.A. Approves Program .....	184
Sweetening the Beats Gone Sour .....	186
News Release .....	191
Announcement .....	192
Scientific Abstracts .....	196
Book Reviews .....	199
Letters to the Editor .....	203
Index to Volume XXII .....	205
